DCE DHANALAKSHMI **COLLEGE OF ENGINEERING** Tambaram, Chennai

OPEN HOUSE PROJECT CONTEST-2018 Two days (October 16-17,2018)

The Open House, a technical exhibition organized by Dhanalakshmi College of Engineering, is an ode to the stupendous growth made by science and technology over the years.

DCE Open House is bound to quench your thirst for information in various fields.

- ✓ The best way to promote science and technology and to develop a scientific approach towards different theories is through science exhibitions.
- ✓ The Open House has been organized to promote a spirit of competition and creativity among the budding innovators.

Previous five Open House Project Contests conducted for school students, College students and Grassroots (Public) level were grand success

We are proud and pleased to invite you for the Sixth Open House Project Contest - 2018 to be conducted on October 16-17, 2018

If you are a student of a school, polytechnic, college or even a public, and have a science, technology or an engineering idea, here is a great opportunity for you to bring it to the limelight.

Participate in the event as an innovator and exhibit your prototypes/models.

Judges from industries will judge the best project.

Kindly register your information in an online registration form available in our college website. www.dce.edu.in

Bonanza prizes worth Rs.3, 00,000/-

Objectives of the Open House:

- To provide **an opportunity** for students who are interested in science to do science projects.
- To make available an opportunity to **recognize “student scientists/ technocrats “**.
- To enlighten the parents on the technical ability of their wards.
- To **encourage excellence** in science and engineering.
- To engage the **corporate community** in recognizing outstanding students in technological and scientific fields
