

## DHANALAKSHMI COLLEGE OF ENGINEERING

Tambaram, Chennai 601 301  
(An Autonomous Institution)

Cir. No. : C-324/2025-2026

Date: 11.06.2026

### Circular

We are pleased to announce the establishment of the Department of Industry and International Relations (DIIR), a strategic initiative aimed at strengthening our Institution's Global Engagement, Industry Collaboration and Innovation Ecosystem called as **DCE-SIRAGU (Strategic Hub for Industry and International Relations with Advanced Global Universality)**

The Department of Industry and International Relations has been established with a primary focus on expanding and enhancing our International Relations and Partnerships with Reputed Universities, Institutions and Organizations across the Globe. The Department will serve as a dedicated platform to create meaningful opportunities for our Students, Faculty members and the Institution as a whole.

Key Focus Areas of the Department:

- International Academic Collaborations
- International Internships
- International Placements
- Foreign Language Training
- Industry Engagements
- Incubation Centre
- Industry Centre of Excellence

The Department of Industry and International Relations will work closely with all academic departments, faculty members, students, industry partners and international institutions to create a globally connected and innovation-driven academic environment.

We look forward to the active participation and support of the entire institutional community in making this initiative a success. For further information and collaboration opportunities, please contact the Department of Industry and International Relations.
