Circular

It is informed that a Special Hands-on Training Program on CS25C09 – Java Programming and CS25C08 – Data Structures was already organized in collaboration with Enbott Technologies on the CodeChef platform for the II Year Computing Department students.

The training program was conducted as Slot 1 on 29.09.2026, 30.09.2026 and 01.10.2026.

To assess the student's understanding and learning outcomes from the training program, a written test will be conducted as per the following schedule:

Date	Class/Section
06.10.2026	II AIML & II Cyber Security
07.10.2026	II CSE A, II CSE B & II CSE C

Test Details:

- Maximum Marks : 45 Marks
- Question Pattern : 3 Programming Problems × 15 Marks each
- Venue : **Exam Hall – II Floor, Admin Block**
- Timing : **11.00 a.m. to 12.30 p.m.**
- Question Paper & Answer Sheets : Will be provided by the Examination Cell.

The HoDs of the respective departments are requested to **assign two faculty members per class/section** for invigilation duty during the examination.

Attendance is mandatory.
